

Factory Authorized Installations

Norix Authorized Installations

Norix intensive-use furniture is safe, secure and built to last...providing outstanding long-term value and peace of mind for your staff. For facilities not using contractors or consultants, it makes sense to reinforce the benefits of the furniture with a factory authorized installation from Norix.

Benefits of a factory-authorized installation:

- Expert installation services, performed by professionals experienced in secure facility installations.
- Complex installation capabilities, including field drilling into concrete, secure bolt-down and application of security caulk.
- All labor, installation hardware and materials included.
- Seamless transaction on same purchase order as furniture. Reinforces product warranty.

Norix has contracted with Largo Associates to perform its factory authorized installations. Co-owned and operated by Norix Group, Largo Associates has over 20 years experience installing intensive-use furniture in secure and occupied facilities, nationwide. (See back page for partial client list) Largo installers have completed extensive factory-training in installing Norix products in all types of environments.
