Overview

Detention quality polycarbonate convex mirror with welded steel frame and rigid foam backing. Engineered and proven suitable for continuous daily use in an institutional environment.

Fabrication:

Mirror: 1/8" polycarbonate with a pure silver reflective coating on inside surface. Fully enclosed foam insert fills cavity to reduce flexing and enhance strength.

Frame: 3/16 x 1" steel has recessed holes for fastening to any solid flat surface. Powder coated to provide durable smooth finish.

Color:

Mirror: Silver.

Frame: Cream.

Weight:

18" diameter: 6.2 lbs.

24" diameter: 9.8 lbs.

Assembly:

Fit mirror and foam backing to frame. Attach to ceiling or wall.

Installation:

Installation required. Refer to manufacturer instructions; confirm surface material for specification of correct fittings (mounting hardware not included).

Warranty:

3 year limited replacement warranty.

Maintenance:

Easily cleaned with a soft, clean cloth and non-abrasive surface cleaning product for general cleaning. Or De-Solv-It[®] for removing permanent markings.

Filing System:
