

## Overview

Public seating for high traffic areas. Designed and engineered specifically for intensive-use environments such as waiting rooms, lobbies, dayrooms, visitation and intake areas. Ergonomic seats are extra wide for optimal comfort. Available in a variety of configurations with connecting tables. Proven suitable for continuous use in a behavioral healthcare or correctional environment, as well as public transportation waiting areas.

## Fabrication:

Base Frame: Tubular steel, bent and welded to provide in-line seating with arms. Standard configurations for 1 to 4 people. Flat steel plate welded to the frame at each seat location to provide strength, support and a mounting platform on which the seat is securely attached.

Seats: One-piece seat and back. Smooth, non-absorbent surface is easy to clean. Molded-in threaded steel inserts provide for tamper-resistant, "steel-to-steel" attachment to base frame.

## Material:

Base Frame: 2" diameter, 14 gauge steel with 11 gauge steel seat supports.

Seats: Rotationally molded, specially formulated, fire-retardant, high impact polyethylene with ultraviolet stabilizers (to reduce fading.) Chemically resistant to blood, vinegar, urine, feces, salt solution and chlorine solution.

## Flammability Test Standards:

Certified to pass the following flammability standards:

- State of California, Technical Bulletin No. 133, Flammability Test Procedure for Seating Furniture for Use in Public Occupancies.
- UL1056 Fire Test of Upholstered Furniture
- ASTM E1537 Test method for Fire Testing of Real Scale Upholstered Furniture Items
- NFPA 261 Cigarette Ignition Resistance of Upholstered Furniture

## Color:

Frame: Metallic silver powder coat.

Seat: Mulberry, Sawgrass, Pine Cone, Lagoon, Raven.

## Weight:

Varies with size. Contact manufacturer.

## Options:

Available with both end arms and intermediate arms, or end arms only.

Available as a free-standing unit with non-removable, nylon-bottom leveler glides, or fitted with steel tabs for bolt-down installation.

Intermediate, End and Corner tables.

## Assembly:

No assembly required.

## Installation:

For bolt-down application, fasten steel tabs to floor. Floor mounting hardware included.

## Warranty:

5 year limited replacement warranty.

## Maintenance:

Easily cleaned with a damp cloth and a mild soap solution.

## Filing System:

12600 Institutional Furniture

11197 Correctional Furniture
