Overview:
The Hondo Nuevo® Left Arm Sectional with Molded Plinth Base combines modern design, ergonomically correct style and comfortable lumbar support with a beautiful, thick vinyl skin and 3 lb. density polyurethane foam filling. This unique combination of superior durability, comfort and style is available in several seat, bench and wedge options to create flexible modular seating arrangements. Smooth, exterior surface is highly puncture resistant, yet easy to clean and sanitize. Fabricated drip edge allows moisture to run off the chair and not into the base. Engineered to endure and proven suitable for daily use in challenging environments.

Fabrication:
One-piece rotationally molded, polyvinyl chloride exterior skin filled with flexible polyurethane foam, fixtured with an interior wood structural panel base plate, then attached with tamper resistant fasteners to a rotationally molded polyethylene base. Made in the U.S.A.
