

SPECIFICATIONS

Model

PROT100

Weight

88 lbs

*Intended for indoor use only

Dimensions

Height 34.9"

Width 39.5"

Length 86.5"

Recommended Mattress

36"x80"

DETAILS

Color

Khaki, Ebony

*Due to differences in monitors, printers and materials, actual product colors may vary. Color chips are available for more accurate depiction of color.

Options

Bunking Kit includes two safety rails, one ladder, four bunk connectors, one wall mount bracket and hardware. Decorative wood grain laminate headboard that can also be used as a footboard (Wild Cherry Standard), Adjustable Glide Kit

Assembly

Ships knock down (KD) in a single carton. See assembly instructions for details.

Fabrication & Material

Fully welded 18 gauge steel end frames bolt to 14 gauge welded mattress deck with 24 gauge tubular steel cross-rods with tamper resistant hex fasteners. Durable plastic (polyethylene) caps secure the end frame tube tops and bottoms while protecting floors and can be removed for easy bunking. Powder coated steel finish.

Installation

None required

Warranty

3 year limited replacement warranty

Maintenance

Norix recommends the use of soap and water for both the regular cleaning maintenance and deep-scrub cleaning of powder coated steel.

Optional Decorative Laminate Headboard: Norix recommends the use of Simple Green® or an equivalent cleaning product.

TESTING

Environmental Test Standards

- GREENGUARD and GREENGUARD Gold Certified by UL Environment. Product certified for low chemical emissions to UL 2818. UL.COM/GG.
- Compliant with Healthier Hospitals guidelines

Performance Test Standards

Tested to 600 lb static load
